## **Department of Housing and Community Development (DHCD) Virginia Main Street (VMS) Commercial District Affiliates (CDA) and Virginia Downtowns Grants**

The [Virginia Main Street Program](#) is a community economic development program that follows the Main Street Approach of the National Main Street Center. Each year local Main Street organizations work to attract to their historic commercial districts the substantial private and public investment necessary to: (1) breathe new life into blighted and vacant buildings, (2) establish and expand independent businesses that make downtowns unique consumer destinations, and (3) create mixed-use downtowns where people once again live above bustling commercial establishments and property owners maximize the productive use of every floor of downtown buildings.

In 2016 alone, VMS communities saw over \$52 million in privately funded improvements to downtown historic buildings, \$15 million in public improvements to help support and encourage private investment in downtowns, the start-up, expansion or retention of over 326 unique businesses in historic commercial districts, and the creation or retention of nearly 1,000 jobs for local community members seeking employment.

DHCD Affiliate Grants are designed to assist organizations and communities in achieving their downtown revitalization goals. Ideal for former or current Community Development Block Grant (CDBG) grantees or communities in the Virginia Downtowns program, these grants are available for downtown revitalization efforts including

- non-profit organizational development
- vision/mission development; work plan and budget development
- market studies
- downtown organization website development
- design projects
- entrepreneur support programs
- wayfinding system development
- economic vitality projects
- or other consultant services that will positively contribute to the historic downtown neighborhood and for which other funds are not available

DHCD Affiliate grants are available to registered DHCD Commercial District Affiliates and Virginia Downtowns. DHCD invites projects that hold the potential for positive impact on the downtown neighborhood's long term goals.

**Award Amounts:** Not to exceed \$7,000.

**Match Requirement:** No match requirement for consultant services; funding requested for a project requires a dollar-for-dollar match.

**Project Implementation Period:** December 1, 2017- June 30, 2018 (final report due); all disbursements must be completed by May 31, 2018. Quarterly reporting through CAMS is required. All projects must be underway no later than January 1, 2018.

## **Submission Requirements and Instructions**

Applications must be submitted electronically, with supporting documentation, through the Agency's Centralized Application and Management System (CAMS). To access CAMS, visit the website at [www.dhcd.virginia.gov](http://www.dhcd.virginia.gov) and click on the CAMS icon in the upper-right hand corner. Please note: Technical support for CAMS is available weekdays between 8:30 am and 4:30 pm.

<b>Google Chrome is the recommended browser for CAMS. Remember to SAVE often.</b>
---

Proposals not submitted through CAMS may be disqualified.

Applicants must submit complete responses to all appropriate questions and include all required attachments.

## **Grant Eligibility**

Grants are available to all DHCD Commercial District Affiliate (CDA) and Virginia Downtowns selected communities and organizations.

All applicants must comply with DHCD's financial auditing requirements by uploading on CAMS a copy of the organization's W-9 and a copy of the organization's most recent audit or reviewed financial statement, as applicable, with the grant application.

## **Characteristics of a Strong Application**

A strong application will clearly explain how the proposed project or service is an effective organizational or economic development strategy for the commercial district. Proposed consultant services must advance the sustainability of the local organization through development of bylaws and organizational structure, mission/vision statements, work and budget planning, market studies, or create entrepreneur support programs that will positively contribute to the revitalization of downtown. Proposed design projects must directly support existing work plans and identified strategies for improving the functionality of the downtown district.

The application will make it clear that the applicant is capable of successfully completing the service or project and that it will enhance organizational readiness, entrepreneurial ecosystems, or the built environment for the district.

## **Grant Payment**

Grant funds will be paid upon completion of agreed upon project milestones. Milestones will be negotiated and included in a memorandum of understanding that will be signed by both DHCD/VMS and the grantee prior to the start of the project. Projects must be completed no later than May 31, 2018.

## **Leverage Requirement**

**Design or Implementation** projects require a 1:1 match. In-kind services provided by local government, consultants and other CDA stakeholders and partners may be included. Time contributed solely to the implementation of the project by volunteers from the CDA organization or the organization's partners may be included. Volunteer hours are calculated at \$23.56 per hour ([https://www.independentsector.org/volunteer\\_time](https://www.independentsector.org/volunteer_time)).

**Consultant Services** do not require a funding match, though projects with matching funds will receive priority.

## **Scoring**

Grant proposals will be scored on a 0-100 point scale. Grant funds are limited and only those proposals exceeding the minimum 80-point threshold will be considered for funding. The project scoring methodology is as follows:

<b>Scoring Criteria</b>	<b>Points</b>
Relation to organizational development	30
Impact on the Commercial District	40
Organizational capacity/readiness	20
Realistic work plan for project	10
Total	100
